Written by Molly A Hendry (Enid's great-great-niece) on 06/18/2015:

"There has not been nor ever will be another woman comparable to you. You were a pistol. One of the most influential women in my life. A woman with the strongest faith and biggest heart. Absolutely no shame in your game. Now you are with your husband "walking streets of gold" together like you always said. Your extremely bold personality and involvement in my family's life has made an imprint like no other. And your marriage of almost 70 years to Uncle Mike lives on in heaven. I love you Precious Auntie Enid. Thanks for all the advice".
