

Jerome "Jerry" Lee Olkiewicz

08/18/1949 - 12/22/2021

Jerome "Jerry" Lee Olkiewicz, 72, Eureka, passed away on Wednesday, December 22, 2021. He was born the son of William and Stella (Berlowski) Olkiewicz. Jerry served with the United States Army from July 1969 through July 1971 where he spent his military career as a medic in Fort Sam Houston, San Antonio, TX. He worked in general psychology, burn counseling and the drug detoxification program during his service in the Army.

Jerry was employed at Winnebago Mental Health Institute and the Oshkosh Correctional Institute. He retired after 30 years of employment with the State of Wisconsin.

Jerry was co-owner of Jerry's Bar in the Van Dyne area from 1975-1985. The bar provided Jerry a circle of friends he held near and dear to his heart today. After the sale of his bar, he moved to Eureka where our parents owned and operated Bill and Stel's Bar for 50 years. He agreed to help our mother operate the bar due to our father's poor health. Upon our parent's death, Jerry became the cornerstone of the bar for 23 years. He followed in our parent's footsteps and created a family-oriented establishment for the local community. Jerry took great pride in decorating the bar for each holiday or season. The Christmas snowflakes were his favorite. It was the look on the customer's face as they saw all of the beautiful snowflake designs that made the hours of cutting snowflakes worthwhile. Jerry enjoyed donating to and supporting various charities. Special Olympics held a very "heartfelt" place in his heart each year raising money from the annual snowflake fundraiser.

Jerry had the ability to touch your heart with his kindness and compassion. His sense of humor was his greatest gift. He had an uncanny ability to tell stories and jokes to his family, friends and customers. He brought joy to the room and his laughter was not just contagious, it was infectious. Jerry was a vital energy to our family. He was so proud of our family and the relationships we shared. He was especially proud of his nieces and nephews and their accomplishments. He gave his love unconditionally and the love was returned unconditionally. His spirit will be with us always.

To the Eureka community of friends, we thank you for all the support you provided to Jerry. He appreciated all of the little things you did to make his life easier. His family is grateful for your kindness and generosity. To his "social group" of dear friends, relatives, customers, and co-workers near and far, each of you touched his life. You will be forever appreciated for filling Jerry's life with love, laughter and friendship. We cannot thank you enough...always in our hearts.
